

Mattawan School District's Hot Spots Pictures Due October 9

In Social Studies, we will be studying Michigan and our earth. We will learn about the seven continents and practice some map skills. Your assignment is to take a picture of yourself in five of your favorite places in or near Mattawan. Your pictures will go on your flash drive which you will take to school.

Here is a checklist to help you begin:

- ✓ Think about your local area and choose 5 places that make it great!
- ✓ During the next few weeks spend time taking photos of those places with you in the photo.
- ✓ When you are done taking pictures, put them on your flash drive and bring them to school.
- ✓ If you do not have access to a digital camera, you can use a phone.
- ✓ When taking those pictures make sure to include yourself in them!
- ✓ All pictures are due by Friday, October 9th
- ✓ Please contact Mrs. Kingma if you need help.
