

Mrs. Kingma's Newsletter

October 2, 2017

In Language Arts....

Monday night homework is reading ROAR. Students read aloud the passage twice for one minute. Mark the passage with a one and two. Turn over the paper and write a short summary of the passage.

- Balloon Awards also need to be finished by the end of October.
- sight words and vocabulary.

* students should have 9 RR points by Friday. Please encourage your student to read and take tests.

Spelling Help- Check out spelling City! Go to my main web page where you can play games and take tests from your computer.

IXL Language Arts-Finish A's
Start working on PP- Suffixes & Prefixes

In Writing...

- we are working on writing personal narratives. Students are learning about gathering ideas and editing.

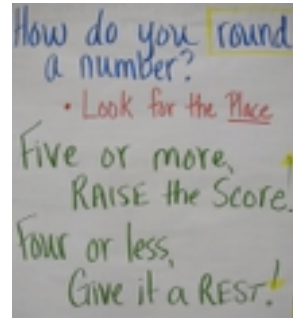

In Math....

- we will be finishing up unit 2 later this week.

Our test will be on rounding, estimating, and borrowing. There is a reteaching sheet that is going home

each night for homework.

Practice the one and zero multiplication facts week.

In Social Studies...

- we are collecting our pictures of our favorite places in Mattawan for our picture project. Please help your Student put their pictures on the flash drive. I will be teaching the students how to use their flash drive.

In Science....

- we are talking about motion and force. There are games and activities for the student's to try on my web site under science curriculum.

Drive 4UR School this October 14!

Join us on Saturday to test drive Ford

trucks and cars. For each family that comes Ford will donate money to our school.

This is a easy and fast way

for us to earn money.
